

EXTENSIONS OF REMARKS

RECOGNIZING THE 110TH ANNIVERSARY OF PINE CASTLE UNITED METHODIST CHURCH

HON. DANIEL WEBSTER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. WEBSTER of Florida. Mr. Speaker, it is my privilege to recognize the 110th anniversary of Pine Castle United Methodist Church in Orlando, Florida, and commend their strong heritage of service within Orange County, Florida.

On July 30, 1900, a group of women in the community organized a church community that housed the Methodist, Baptist, and Missionary Alliance congregations under one roof. In December 1906, nineteen congregation members laid the foundation for what would become Pine Castle United Methodist Church. Pine Castle United Methodist Church has served as a beacon of hope in our local community. Many lives have been impacted through the church's ministry, and I am honored to recognize their long history of dedication and service.

This is a momentous year for Pine Castle United Methodist Church, and they deserve to be commended for their 110 years of service to our community. It is my pleasure to join Pastor Scott George and the congregation at Pine Castle United Methodist Church in celebrating this historical milestone. I would like to thank them for their many years of faithful ministry to our community and their dedication to Christian leadership. May God continue to bless their church and ministry throughout future generations.

HONORING FATHER LAWRENCE W. "BILL" CARMODY

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. LAMBORN. Mr. Speaker, I rise today to honor the life of Father Lawrence W. "Bill" Carmody, beloved priest of the Colorado Springs Diocese and tireless warrior for the unborn. He passed away on February 23, at the age of 58 after a long battle with cancer.

A Colorado native ordained in 1990, Father Carmody faithfully served the Colorado Springs area for more than 25 years. In 1995 he was named the pastor of Corpus Christi Parish. Later, Father Carmody led the movement to found St. Dominic Catholic Church in Security, where he also served as pastor. St. Dominic's is the largest Catholic church in the Colorado Springs area.

Father Carmody was also a devoted leader of the pro-life movement. He led the Diocese's Respect Life Office, dedicated to the promotion of a greater understanding of the Church's teachings to respect life in all its

phases. For over a decade, Father Carmody lovingly celebrated mass every week outside a local abortion clinic. In 1994, he introduced the Project Rachel program in Colorado Springs. The Project Rachel program is dedicated to helping those suffering after an abortion. Father Carmody called his work with the Project Rachel program as the "most profound experience I have as a priest—watching people heal from what they believe is an unforgivable sin and find God's forgiveness."

Father Carmody was truly a great man who spent his time on earth defending life and lovingly ministering to those our Heavenly Father entrusted to his care. He touched the lives of many while living out his calling to serve the Colorado Springs community. I pray that his legacy continue to be an inspiration to all of us in the years to come.

Porter Early College High School, located in the heart of Southmost neighborhood, is an important community institution. Countless teachers, police officers, entrepreneurs, lawyers, doctors and engineers are Porter alumni, and the school bears the name of a woman who made important contributions to the City of Brownsville. Gladys Porter, daughter of philanthropist Earl C. Sams, who was the first president of the J.C. Penney retail chain, was devoted to South Texas. Ms. Porter was a well-known civic leader in Brownsville and was the driving force behind the Gladys Porter Zoo, which today attracts thousands of visitors annually to the Rio Grande Valley.

I would like to express my deep gratitude to the families of these young men. Parents, grandparents, siblings and other family members make great sacrifices to support student athletes during the competitive season and all year long. Porter parents have spent years driving to practices, washing uniforms, cleaning cleats, cheering from the sidelines, and generally making sure these student athletes have everything they need to succeed both on and off the field.

The coaches, teachers, and administrators deserve recognition for all they do to provide students with a high quality education that balances academic and athletic achievement. Teachers and coaches serve as role models, providing critical motivation and support for these young athletes.

Mr. Speaker, I join my colleagues in congratulating the Porter Cowboys boy's soccer team for their victory in the Texas 5A State Championship. Each of them, their parents, teachers, coaches and support staff make the Rio Grande Valley proud, and I wish them success in all their future endeavors.

RECOGNIZING HOPEY'S DAY

HON. JOSEPH CROWLEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 21, 2016

Mr. CROWLEY. Mr. Speaker, I am proud to acknowledge Hopey's Day in New York City, which is on April 22, 2016. Hopey's Day was initiated by the Hopey's Heart Foundation, which works to raise awareness of sudden cardiac arrest, particularly among student athletes, and helps to place automated external defibrillators (AEDs) at schools and at community and recreational centers.

The driving force behind Hopey's Day has been WNBA New York Liberty center Tina Charles, who founded the Hopey's Heart Foundation in honor of her late aunt, Maureen "Hokey" Vaz. As an athlete, Tina recognized that too many promising young athletes lose their lives to sudden cardiac arrest on basketball courts and sports fields before they can attain the same dreams she achieved. Under Tina's leadership, the Hopey's Heart Foundation has provided over 200 AEDs to schools around the U.S. and in other parts of the world.

To mark Hopey's Day, the Hopey's Heart Foundation, along with Safe Kids Worldwide, will be holding sports safety clinics at New York City schools, including P.S. 127 in Queens and in P.S. 55 in the Bronx. These clinics will help kids, parents, and coaches understand how they can prevent risks encountered in sports, like sudden cardiac arrest, as well as teach about proper hydration and concussions. Notably, attendees will learn emergency response and how to use an AED.

These clinics also mark the beginning of the Hopey's Heart Foundation Build UP NYC program to expand its work across New York City, and I look forward to seeing more schools have the opportunity to present these experiences to their students.

I am so proud of the work that Hopey's Heart Foundation, Safe Kids NYC and Safe Kids Queens have done, as well as of the tremendous leadership shown by Tina Charles, a native of East Elmhurst, Queens, where one of the Hopey's Day clinics will take place. Tina has committed herself to giving back to her home community and elsewhere in so many ways.

I thank the Hopey's Heart Foundation and Tina Charles for their commitment to protect the hearts of so many children playing sports.
